

Showreel

Below are some examples of our recent film work.

www.david-osullivan.co.uk (Showreel)

```
var so = new SWFObject("films/srtrailer.swf", "showreel", "191", "120", "8.0.23", "#929ea6");
so.addParam("wmode", "transparent");
so.write("trailercont1");
```

Our showreel is a summary of our recent work including clips from the Royal Television Society Award winning Monica Gilthart and the techniques that won us the Kodak Award for Most creative Commercial. In the film you will see a section where the camera appears to fly through layers of an image. This maybe a common effect now but when we first came up with the effect we were the first people to use it, hence the award.

Monica Gilthart and the Mysterious Pencil.

```
var so = new SWFObject("films/mgtrailer.swf", "David and the Dog", "191", "120", "8.0.23", "#929ea6");
so.addParam("wmode", "transparent");
so.write("trailercont2");
```

The Royal Television Society Award winning short film. After winning the award we spent a significant amount of time developing the project into a full length children's TV serires with BBC, ITV, Film and General and 2-sides TV.

David and the Dog.

```
var so = new SWFObject("films/datdtrailer.swf", "David and the Dog", "191", "120", "8.0.23", "#929ea6");
so.addParam("wmode", "transparent");
so.write("trailercont3");
```

David and the Dog is an experimental short film project fusing documentary style realism with fantastical effects. It tells the heart warming story of David who dreams of getting a sausage dog for his birthday but, to avoid disappointment, has to use his imagination.
