

Our Costs

Multimedia

- News reels, podcasts, documentaries from £200 per produced minute*^.
- Dramatisations, drama, entertainment from £700 per produced minute*^.
- Video/TV ads from £5000.
- Flash banner ad's (like the one below) from £100

Web Services

- Static Websites (non-changing content) from £85 per page.
- CMS Websites (Dynamic updatable content) from £3000 including 10 pages of starting content.
- Additional Components (shopping carts, booking systems, multimedia) from £750 each.
- Custom Templates from £700.
- Logo Design from £400.

* 'Per produced minute' relates to the running time of the final film i.e. if you require a 3 minute film the cost will be (from) 3 produced minutes x £200=£600.

^ These costs are guidelines only, actual costs vary according to the specific requirements of each production.

```
var so = new SWFObject("http://www.david-osullivan.co.uk/films/banner1.swf", "example banner ad", "468", "60",  
"8.0.23", "#929ea6");  
so.addParam("wmode", "transparent");  
so.write("davidosullivanadcontent");
```
